Littlebourne Parish Council Goes Digital

The Littlebourne Parish Council now has a Facebook page and Twitter feed to post pictures, news and views. It is a great way to stay in touch and post your thoughts about village life.

We would love any old photos of the village to put on the page so please let our Clerk know if you have any we can publish.

Grant Available For Local Groups

This is a reminder to local groups to apply for a grant from Littlebourne Parish Council for 2016-17

If you wish to apply for grant support for the financial year 2016-17, then you should request an application form from the clerk via email or phone. The deadline for applications will be 9th October, after which budgets for the year will be considered.

This year we were pleased to be able to give funding towards;

- A whole School trip for Littlebourne CEP
- Ladybirds garden development
- Upkeep of St Vincent's Churchyard
- A day trip for the Afternoon Club
- Renovation of the outfield mower for the Cricket Club
- New equipment for the Junior Cricket Club

Country Eye

Helping Keep the Rural Community in Kent Safe

Country Eye Ltd have built a free App for people living and working in the rural community. The app allows users to record and share information on crime, suspicious behaviour and damage in their home community or whilst out and about.

The Crime, Rural Advisory Group (CRAG) has commissioned the design and build of the Country Eye app. The app has been built to help residents and farmers in Kent report information quickly and efficiently. This information is securely stored in a central database and accessed by the voluntary Country Eye team who are fully trained by Kent Police. The team analyse and disseminate the information and then broadcast it out to other local app users.

Peter Rolington, Chairman of Kent Crimestoppers and member of CRAG will head the team of volunteers, Peter said "Country Eye will be an invaluable tool to inform people living and working in the countryside about incidents that are occurring in their area. Technology has advanced greatly in recent years and has enabled us to develop a digital version of the highly successful Neighbourhood Watch scheme. We will be able to broadcast information directly to users about potential incidents as they happen.

Country Eye has the full backing of Kent Police with information being sent securely to the relevant authorities. Kent Police is committed to responding to concerns in rural communities and to carrying out high visibility patrols. The information collated through the app will give officers a greater understanding of potential problem areas.

The Country Eye app identifies [four different Rural Categories](#) which make up the majority of incidents that occur in the countryside.

Theft: Vehicle, Metal & Cable, Machinery & Plant, Livestock, Outbuilding, Fuel & Oil and Equine.

Farm Crime: Arson, Fly-Tipping, Trespass with and without Firearms, Criminal Damage and Suspicious behaviour with and without vehicles.

Animal, Wildlife Crime: Poaching, Animal Welfare, Endangered Species & Conservation, Hare Coursing and Horse Crime.

Heritage Crime: Off-roading and Metal Detecting/Night Hawking

Sign up is simple; the system requires a contact number, email address and postcode. The app records and disseminates information using the phones camera and GPS location settings. The location, time and date will be automatically recorded. The app can also use an existing image from the camera's photo library.

The application is not intended for emergency purposes; users should report to; 999 – (crime in progress) 101 – (crime committed) or report to Crimestoppers if they wish to remain anonymous – 0800 555 111

The List Development Application: Latest

Canterbury City Council have agreed to allow more time for comments to be made on the second application submitted by Rydon Homes Ltd.

The new deadline for submission is **Friday 18 September at 5.00pm.**

Although it is best to submit your comments via the City Council website we know that it is not performing well at the moment, so if it is not possible to get access to Planning Application screen using the site reference of 15/01711 then send an email to:

development.management@canterbury.gov.uk

and include the site reference and 'Attn Steve Musk' in the subject box.

If you are not able to email then write a letter and address it to:

Development Management
Canterbury City Council
Military Road
Canterbury
CT1 1YW
Attn Steve Musk

One of our Parishioners, Ron Lindsay, has found that it is easier online to access the Application using the 'Advanced Search' option on the 'Search Planning Applications and Decisions' page. This might help you.

Littlebourne Primary School

Children and staff at Littlebourne Primary School have had an enjoyable but busy term participating in activities such as the Summer Fete, a performance of Alice in Wonderland and a Sports Afternoon alongside their learning in the classrooms.

On a wonderfully hot and sunny afternoon in June, the PTA organised a summer fete on the school grounds at which every class performed as well as the oldest children running their own fund-raising stalls. The performances included a demonstration of maypole dancing, which parents and visitors were able to join in with, some lively line-dancing by the youngest children and stirring djembe drumming routines performed by children from Jet Class. Many families and residents from the village attended the fete, making it very successful event raising £1300 to benefit the children in the school.

A few weeks later, the members of the school's Drama Club performed their version of 'Alice in Wonderland' to a packed and enthusiastic audience of family and friends. The performers ranged in age from 6 – 11 years old and performed a show full of humour with memorable dance and singing routines.

The term finished with a Sports Afternoon in which all the children participated supported by a large crowd of parents, an end of year disco for all children followed by a sleepover in school for the members of year 6.

Littlebourne Primary School has now established a strong and productive partnership with Bridge and Patribourne Primary and Ren Chinnadurai (Executive Head), Stella Byrne (Head of Littlebourne School) and all members of staff are looking forward to further exciting developments for the school over the next academic year. The school would particularly welcome opportunities for the children to become involved with their local community and are open to suggestions for ways in which this could be developed.

IS YOUR DOG'S BEHAVIOUR CAUSING YOU CONCERN?

Fully qualified therapist specialising in **Canine Behaviour and Myotherapy**, offering professional help and advice to dog owners who are worried about their pets.
